A boy like him or a girl like me...

Dante demonstrates his level of commitment by revealing the real reason he's brought Sash to Los Angeles, but if he's going to get his way, Sash needs something in return.

She wants everyone to know their secrets, *especially* the one she's carrying inside.

With a ransom threat hanging over his head, Dante makes a drastic decision, the consequences of which could force them apart for ever.

Whatever happens, Sash knows only one thing...

She's going to have his baby.

This is part four of a multi-part series that contains several edge of the seat cliffhangers.

If scorching hot, taboo romance and head-strong, alpha male billionaires that will stop at nothing to get what they want aren't your thing, please look away now.
