Beware and Warning!**

This book is different from other books.

You and YOU ALONE are in charge of what happens in this story.

"There are dangers, choices, adventures, and consequences." YOU must use all of your numerous talents and much of your enormous intelligence. The wrong decision could end in disaster - even death. But, don't despair. At any time, YOU can go back and make another choice, alter the path of your story, and change its result.

Your dad was a famous racecar driver who taught you everything he knew - even when you were too small to reach the pedals! Now, you have been selected to race in one of the most grueling competitions in the world, the African Road Rallies. Life on the ranch in Arizona taught you a lot, but none of your previous races have demanded as much from you as this two-part race across the wildest parts of Africa will!
