Drive James Sallis

Much later, as he sat with his back against an inside wall of a Motel 6 just north of Phoenix, watching the pool of blood lap toward him, Driver would wonder whether he had made a terrible mistake. Later still, of course, there'd be no doubt. But for now Driver is, as they say, in the moment. And the moment includes this blood lapping toward him, the pressure of dawn's late light at windows and door, traffic sounds from the interstate nearby, the sound of someone weeping in the next room . . .

Thus begins *Drive*, the story of a man who works as a stunt driver by day and a getaway driver by night. He drives, that's all—until he's double-crossed. Powerful and stylistically brilliant, *Drive* has been hailed by critics as the "perfect piece of noir fiction" (*The New York Times Book Review*) and an instant classic.

Contessa Watkins:

As a college student exactly feel bored in order to reading. If their teacher expected them to go to the library or make summary for some reserve, they are complained. Just little students that has reading's heart and soul or real their leisure activity. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading significantly. Any students feel that reading through is not important, boring in addition to can't see colorful pictures on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this Drive can make you really feel more interested to read.
