## Puff The Magic Dragon - Book and CD Package

Puff, the Magic Dragon is simply one of the most beloved songs of all time - a classic that's become as much a part of the childhood experience as Mother Goose and fairy tales. Yet singer/songwriter Peter Yarrow and co-composer Lenny Lipton have never allowed a picture book adaptation of this magical tale...until now. With Yarrow's and Lipton's blessing, Puff, Jackie Paper, and the land of Honalee finally live on the page. The exquisite package includes a cloth case with a tipped-in illustration and an embossed jacket with foil touches, as well as an exclusive CD featuring not only Puff, but several other songs performed by Yarrow, his daughter Bethany, and cellist Rufus Cappadocia.
