**They Came From Within: A History Of Canadian Horror Cinema** Caelum Vatnsdal

Engagingly written, extensively researched, and lavishly illustrated with rare stills and poster art, Vatnsdal adjusts the focus on Canadian horror films, and unwinds the history of this neglected genre to learn "why we fear what we fear and how it came to be that way". With a forward by director/producer David DeCoteau.

"They Came From Within is a revelatory and informative study of a previously underexplored area of horror history." - Fangoria Magazine
