P.I. Lorne Warner is back in Virtual Justice, the seventh instalment in the Justice series.

The body of a strangled woman draws Lorne into an intricate investigation that expands swiftly when a second innocent is murdered. A serial killer is on the loose, plucking victims from Internet dating sites. But when a third victim—this one male—is discovered, Lorne is forced to admit her worst fears... she is on the trail of a serial killer duo.

Lorne's personal life grows complicated as her sister, Jade, struggles to come to terms with their father's death. Lorne suggests drastic measures to cure Jade's grief.

The answers are out there, but will Lorne solve the crimes and find the killer before the next victim dies?
