*Destiny of Souls* by Michael Newton, Ph.D., contains interviews given by sixty-seven people under hypnosis discussing their experiences between lives on earth. The result is a book which proves, beyond any doubt, that who and what you are continues, grows, and evolves into something wonderful even after you pass on into the next world. Death, that amazing transition, will no longer be seen as an ending or something fearful. Rather, you will understand that it is merely a change, a beginning, a way-station for rest and recuperation before rebirth.

Dr. Newton holds a doctorate in counseling and is a master hypnotherapist. This book is based on his groundbreaking research into the afterlife.
