Hypertension Primer: The Essentials of High Blood Pressure

Now in its thoroughly updated Third Edition, the **Hypertension Primer** is a comprehensive, readable source of state-of-the-art scientific and clinical information on hypertension. The book contains more than 150 short chapters by distinguished experts that cover every aspect of hypertension and its pathogenesis, epidemiology, impact, and management. The chapters are grouped into three well-organized sections--basic science, population science, and clinical management--and each chapter is cross-referenced to other relevant chapters. Each chapter is easily digestible and begins with a bulleted list of key points.
