Publishing, Editing, and Reception: Essays in Honor of Donald H. Reiman

Publishing, Editing, and Reception is a collection of twelve essays honoring Professor Donald H. Reiman, who moved to the University of Delaware in 1992. The essays, written by friends, students, and collaborators, reflect the scholarly interests that defined Reiman's long career. Mirroring the focus of Reiman's work during his years at Carl H. Pforzheimer Library in New York and as lead editor of *Shelley and his Circle, 1773–1822* (Harvard University Press), the essays in this collection explore authors such as Mary Shelley, William Hazlitt, Lord Byron and Percy Bysshe Shelley; moreover, they confirm the continuing influence of Reiman's writings in the fields of editing and British Romanticism. Ranging from topics such as Byron's relationship with his publisher John Murray and the reading practices in the Shelley circle to Rudyard Kipling's response to Shelley's politics, these essays draw on a dazzling variety of published and manuscript sources while engaging directly with many of Reiman's most influential theories and arguments.

Clifford McDaniel:

As a scholar, I exactly feel bored to reading. If their teacher inquired them to go to the library in order to make a summary for some book, they are complained. Just little students that has reading's internal or real their pastime. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that reading is not important, boring along with can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this *Publishing, Editing, and Reception: Essays in Honor of Donald H. Reiman* can make you feel more interested to read.
