Moshe Greenberg

Ezekiel 21-37: A New Translation with Introduction and Commentary (Anchor Bible) (Chapters 21-37 Pt. 2) Moshe Greenberg

Compared to Isaiah and Jeremiah, the two other major biblical prophets, Ezekiel is perhaps the most misunderstood and challenging Hebrew prophet. This is particularly true in Ezekiel 21-37 where the prophet's visions and prophecies take us into heavenly realms, completely uncharted territory for human beings.

The world's leading Bible scholar who deals with the problematic prophet, Moshe Greenberg, Ph.D., explains Ezekiel's confusing language and images with a clear translation and thorough explanation of the text. This long-awaited second volume of the author's Anchor Bible commentary on Ezekiel lives up to the reader's expectations in its insight and scholarship, and in its authoritative treatment of all the important questions and issues raised by the prophet Ezekiel.
