## Serial Killers Case Files RJ Parker

**AN IN-DEPTH** examination of serial murderers and their victims, that include the profiles of some of the most prominent murderers of our time. The author addresses various serial killer types: Organized and unorganized, men, women, doctors, and unsolved murder cases.

**BESTSELLING AUTHOR** RJ Parker delves into the gritty, gruesome details of the most notorious serial killers to strike the United States, Canada and the UK, including the unidentified killers who may still be on the loose. Close to home, Parker compiles a thorough case file on husband and wife serial killers Paul Bernardo and Karla Homolka. In an amazing twist, Homolka pulls the wool over the Canadian Government, giving the crown yet another black eye.

**THE HORROR GENRE** is tremendously indebted to serial killers. A listing of books and movies that deal with serial killers would almost be a book in itself. Something about their twisted psychology and abhorrent acts have turned folks like John Wayne Gacy, Ted Bundy, Jeffrey Dahmer, David Berkowitz, and Andrei Chikatilo, to name a few, into household names and media figures. In Serial Killer Case Files, true crime author RJ Parker offers several cases that deal with the names above and also shine a light on killers that are not as present in popular culture but whose bloody actions are worse than any horror movie out there.
