Ted Nugent

Ted, White, and Blue: The Nugent Manifesto Ted Nugent

It's About Time.

America has been craving leadership—and at last a gun-slinging, mega-rock star, deerslayer, and patriot has stepped forward to provide it. Make way for Ted Nugent. Cocked, locked, and ready to rock, the Motor City Madman, the thinking man's Abraham Lincoln, has unleashed the ultimate high-octane political manifesto for the ages in *Ted, White, and Blue*—the most important patriotic statement since the Constitution. In *Ted, White, and Blue* you'll discover:

Why war is the answer to so many of our current problems

Why if Ted were a Mexican, he'd start a revolution (and how, since he's not, we can control our own borders)

How to put Uncle Sam on a diet (a waste-watchers program for government)

If you care about America, if you want to preserve, protect, and defend the land of the free and the home of the brave, if you're fed up with lazy, whining, fear mongering, government-gorging Obamaniacs, then you need to read *Ted, White, and Blue: The Nugent Manifesto*.
