How Not to Kill a Muslim: A Manifesto of Hope for Christianity and Islam in North America Joshua Graves

The adherents of Islam and Christianity comprise half of the world's population, or 3.5 billion people. Tension between them exists throughout the world and is increasing here in North America. In *How Not to Kill a Muslim*, Dr. Joshua Graves provides a practical subversive theological framework for a strategic posture of peaceful engagement between Christians and Muslims. Based upon both academic and personal experience (Josh grew up in Metro Detroit), this book will provide progressive Christians with a clear understanding of Jesus' radical message of inclusivity and love. There is no one who is not a neighbor. There is no them. There's only us. Our future depends upon this becoming true in our cities, synagogues, churches, and mosques. In pluralistic societies such as those of Canada and the United States, the true test of Christianity is what it offers those who are not Christian. And it starts with Islam.
