**Renal Pathophysiology: The Essentials** Burton D. Rose, Helmut G. Rennke

Pathophysiology is becoming an increasingly important part of medical training, and this authoritative resource gives students a solid foundation in this important area. The authors, both premier educators in nephrology, have designed this text specifically for first- and second-year medical students. Concise chapters emphasize the mechanisms by which diseases occur. In-text questions test students' understanding of the material and their ability to apply what they've learned. Lecturers - Click here to order a FREE Review Copy of this title
