You will get a higher score. We guarantee it.

SAT II: Biology E/M, Fourth Edition comes complete with a targeted review of all the material on the exam, plus Kaplan's score-increasing strategies. This powerful combination makes *SAT II: Biology E/M* a highly effective way for you to score higher on this intensive subject test, enabling you to approach the test with confidence.

3 Full-Length Practice Tests

You'll start by taking a diagnostic test. From this score, you can determine the areas on which you need to focus. After an intensive review of the tested material, you'll take two simulated tests with a complete explanation for every answer and a detailed analysis of your scores.

Critical Test-Taking Strategies

SAT II: Biology E/M improves your test-taking skills by outlining important strategies on managing time, remembering key concepts, spotting important trends, and approaching each type of question on the test. You'll hone these skills with hundreds of practice questions and quizzes in every chapter.

Be Prepared -- Know the Test

This in-depth book reviews every section of the test step-by-step, including Ecology, Cellular and Molecular Biology, Classical Genetics, Evolution and Diversity, and Organismal Biology. With *SAT II: Biology E/M* you'll increase your score by knowing what to expect on the actual exam.
