Smoke (Burned Book 2) Ellen Hopkins

Pattyn's father is dead. Now she's on the run in this riveting companion to the *New York Times* bestselling *Burned*.

Pattyn Von Stratten's father is dead, and Pattyn is on the run. After far too many years of abuse at the hands of her father, and after the tragic loss of her beloved Ethan and their unborn child, Pattyn is desperate for peace. Only her sister Jackie knows what happened that night, but she is stuck at home with their mother, who clings to normalcy by allowing the truth to be covered up by their domineering community leaders. Her father might be finally gone, but without Pattyn, Jackie is desperately isolated.

Alone and in disguise, Pattyn starts a new life as a migrant worker on a California ranch. But is it even possible to rebuild a life when everything you've known has burned to ash and lies seem far safer than the truth?

Bestselling author Ellen Hopkins continues the riveting story of Pattyn Von Stratten she began in *Burned* to explore what it takes to rise from the ashes, put ghosts to rest, and step into a future.
