From Here, You Can't See Paris is a sweet, leisurely exploration of the life of Les Arques (population 159), a hilltop village in a remote corner of France untouched by the modern era. It is a story of a dying village's struggle to survive, of a dead artist whose legacy began its rebirth, and of chef Jacques Ratier and his wife, Noëlle, whose bustling restaurant -- the village's sole business -- has helped ensure Les Arques's future.

Sanders set out to explore the inner workings of a French restaurant kitchen but ended up stumbling into a much richer world. Through the eyes of the Sanders family, one discovers the vibrant traditions of food, cooking, and rural living, and comes to know the village's history. Whether uncovering the darker secrets of making foie gras, hearing a chef confess his doubts about the Michelin star system, or absorbing the lore of the land around a farmhouse kitchen table after a boar hunt, life in Les Arques turns out to be anything but sleepy.
