Crazy in Love

Luanne Rice

Crazy in Love Luanne Rice

In this acclaimed early novel *New York Times* bestselling author Luanne Rice takes readers on an intensely moving journey through the intimate terrain of a rapturous marriage in sudden jeopardy—and follows one woman's courageous search to find her way when everything, even her heart, seems lost....

Georgie Symonds didn't think anything could shake her perfect marriage. She and Nick were meant for each other, everyone said so, and their life on the Connecticut shore, among Georgie's close-knit family, is picture-perfect. But lately Nick has been consumed with his job on Wall Street, and Georgie finds herself plagued with suspicions too awful to contemplate. To distract herself, she plunges into her work with the Swift Observatory, examining the stories of people whose lives have been changed by unexpected tragedy. But it's when a handsome stranger arrives on her doorstep that Georgie learns firsthand that when your dreams are in danger of collapsing, it's time to create new ones....
