Raising children shapes the parent every bit as much as parents shape their children. Raising children is a sacred calling—and not for the faint of heart. In *Devotions for Sacred Parenting*, the author of *Sacred Parenting* continues the conversation and contemplates the soul-transforming journey of being a parent. With all new material, fifty-two devotions explore the spiritual dynamics of parenting. These life-related devotions are creative, fresh, and encouraging, inspiring mothers and fathers to look at parenting from a different perspective—as a holy and high calling from God, and as an opportunity to grow spiritually as you strive to raise godly children. *Devotions for Sacred Parenting* helps you understand how God is parenting you as you parent your children.
