## **Healing Crystals: The A-Z Guide to 555 Gemstones** Michael Gienger

All the important information about 555 healing gemstones in a neat pocket-book! Though it may appear small, it encompasses the contents of a whole encyclopedia.

This 2nd updated edition is based on new findings in mineralogy and new experiences and research results in the field of gem therapy, including information for an additional 125 crystals not present in the 1st edition, some of which that have been discovered in recent years.

With *Healing Crystals* Michael Gienger presents a comprehensive directory of all the gemstones currently in use in crystal healing. Clear, concise and precise in style, with photographs of each of the crystals accompanying the text, he describes the characteristics and healing functions of each crystal.
