Honor Betrayed: Sexual Abuse in America's Military Mic Dr. Hunter

In Honor Betrayed, Dr. Mic Hunter probes beyond the headlines to reveal the reality of sexual abuse in the military. The culture of the military's training is to turn recruits into those who follow orders without question. Honor Betrayed describes in detail the gross realities of the hostile, uber-masculine, dehumanizing environment our young men and women confront. Most vulnerable to sexual abuse are minorities—particularly women and homosexuals. Included are first-person accounts from American servicewomen and men who were sexually abused by their comrades, including one woman whose case was heard before the U.S. Supreme Court. Hunter also explores the tacit acceptance of these incidents in the military to the recent prisoner abuse scandal in Iraq.
