## **Jrustela (Runequest RPG) (Glorantha: The Second Age)** Gareth Hanrahan

The birthplace of the Middle Sea Empire, Jrustela is home to immense cities, powerful trading guilds, fearsome sorcerers and the birthplace of the dominant religion in the west. Although it is a location feared by its enemies the island itself is a place of peace and prosperity where the dreaded God Learners can safely practise their twisted magic. Politics, trade, religion and magic are the cornerstones of the Middle Sea Empire and all of these are examined within Jrustela. The island continent represents a fantastic setting where even experienced RuneQuest players can meet new and unique challenges. The history and geography of the island are described in detail within Jrustela, explaining how this previously isolated realm has become the linchpin of one of the mightiest empires to ever arise upon the world of Glorantha. The teachings of the God Learner wizards, and how they manage to turn myths and even gods to their will, are explained, as is their relationship with the all-powerful church. Welcome to the home of those who dismiss even the power of the gods. Welcome to Jrustela!
