## **Preaching for God's Glory (Redesign) (Today's Issues)** Alistair Begg

Seasoned pastor Alistair Begg observes that much of what is said from today's pulpits cannot be counted as Bible-based, God-glorifying, and life-changing. Rather than preparing a steady diet of spiritual meat, pastors are mistakenly serving up a self-focused snack—ultimately leaving congregations malnourished and ill prepared to stand firm when their faith is challenged.

Recognizing the need for a return to biblical preaching, Begg has written this practical book, outlining the nature of power-filled, expository preaching and demonstrating its importance in the life of the church.
