Twin Stars and a Mother from Mars: Heartache and Joy in an Ivf World Tru Spencer

In the beginning, there were two. Somewhere in the middle, she felt like she was the only one on the planet. In the end, was her heart complete? Once you're on, it's difficult to get off, and when Tru Spencer found herself on the IVF merry-go-round it seemed as though life had temporarily come to a grinding halt. The conflict between lonely isolation and excited hope was exhausting, and the up and down range of emotions she was willing to endure astonished even her. When her wildest dream was confirmed she thought she could relax, but the nature of that dream meant the battle was only half-won. Her reserves of strength were needed right until the end...would her twin stars finally shine?
