## **Boy Meets Nerd** Leia Shaw

After graduating from MIT with a computer science degree, hacker Emerson True bides her time until she lands the perfect job. To pay the bills, she investigates cheating boyfriends and relationship secrets.

Her newest client, musician Levi Morrison, is a typical heartbreaker – gorgeous and charming. He’s also the biggest sucker in the world. When red flags pop up, he hires Em to check into the identity of the girl he’s fallen for online.

As Em and Levi work together to find his dream girl, they discover they have more in common than they thought. Though Emerson tries to build a firewall around her heart, Levi bypasses it easily. In the end, Levi must choose between his dream girl and the nerd who unwittingly hacked her way into his heart.

"I fell with love with Levi several times. Oh, and then I fell in love with him again." - USA TODAY bestselling author HOLLY ROBERTS.

"I definitely recommend it to all who love romance and all who love nerds." - Musings of the Book-a-holic Fairies.

"Great characters with a different storyline that kept my interest the entire time." - SmutJunkie
