Brenda's Wardrobe Companion: A Guide to Getting Dressed From the Inside Out Brenda Kinsel

In this helpful guide, image consultant Brenda Kinsel walks the reader through the same affirming process that the author's clients experience before they go shopping. Readers assess the qualities they wish to project through clothes and learn how to focus on what works, all in preparation for the ultimate goal: buying the right clothes and dressing on their own. With color illustrations throughout, this series of "private consultations" works as a companion book to the author's popular fashion bibles.
