Half Slave and Half Free, Revised Edition: The Roots of Civil War Bruce Levine

Revised Edition

With a New Preface and Afterword

In a revised edition, brought completely up to date with a new preface and afterword and an expanded bibliography, Bruce Levine's succinct and persuasive treatment of the basic issues that precipitated the Civil War is as compelling as ever. Levine explores the far-reaching, divisive changes in American life that came with the incomplete Revolution of 1776 and the development of two distinct social systems, one based on slavery, the other on free labor--changes out of which the Civil War developed.
