I had a rooster and the rooster pleased me

I fed my rooster on the green berry tree

The little rooster went cock-a-doodle doo

Dee doodle dee doodle dee doodle dee doo

Start with a crowing rooster and turn the pages to see the animals pile up, one by one. As the lyrics add a meowing cat, a quacking duck, and more friendly critters, the stepped pages offer a creative way to read a cumulative story without leaving any of the animals behind.

Emmy-Award winning artist, Laura Vaccaro Seeger beautifully illustrates a traditional folk song popularized by singer Pete Seeger. A CD recording and the written music make this the perfect gift for folk music fans of all ages!
