The author takes her readers through an intriguing journey of love, hurt and sorrow. Throw in a shot of raw excitement, a twist of bitter emotion, and a chaser of true reality and the end result is an exquisite taste of fluid satisfaction. This title is first in a line of a series of authentic, charismatic, and erotic essays with love chronicles, and an "in your face" approach to social and political issues. "Timeless Trilogies: Three Generations, Three Authors" is her second installment of poems.
