Juan Farley:

As a college student exactly feel bored to reading. If their teacher questioned them to go to the library as well as to make summary for some guide, they are complained. Just small students that has reading's internal or real their pastime. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that studying is not important, boring in addition to can't see colorful photos on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Learning Technology for Education in Cloud - MOOC and Big Data: Third International Workshop, LTEC 2014, Santiago, Chile, September 2-5, 2014. ... in Computer and Information Science) can make you feel more interested to read.

Howard Joyce:

What is your hobby? Have you heard which question when you got learners? We believe that that issue was given by teacher to the students. Many kinds of hobby, Everyone has different hobby. Therefore you know that little person including reading or as reading become their hobby. You have to know that reading is very important along with book as to be the matter. Book is important thing to add you knowledge, except your own personal teacher or lecturer. You find good news or update concerning something by book.
