Written by leading American practitioners, the Oxford American Handbooks in Medicine each offer a pocket-sized overview of an entire specialty, featuring instant access to guidance on the conditions that are most likely to be encountered. Precise and prescriptive, the handbooks offer up-to-date advice on examination, investigations, common procedures, and in-patient care. These books will be invaluable resources for residents and students, as well as a useful reference for practitioners.

The Oxford Handbook of Clinical Dentistry is a dependable manual geared for ultra-quick reference at any time. Part of the worldwide best-selling series, this book provides much more information than a standard handbook in the field. Thin and light, it uses concise, bulleted text, quick reference tabs, four color presentation, and bookmark ribbons to help provide fast answers on the ward. It is ideal for students, residents and anyone wanting a succinct, comprehensive, and affordable volume in the proven format of the Oxford Handbook Series.
