Characteristics of Emotional and Behavioral Disorders of Children and Youth (9th Edition) James M. Kauffman, Timothy J. Landrum

◁>For all courses in Emotional and Behavioral Disorders.

The ninth edition of Kauffman's classic text provides for its readers the most comprehensive overview and coherent conceptualization of the problems of students with emotional and behavioral disorders and the challenges their teachers and clinicians face. The unique framework of the text, five logically divided sections, each beginning with an introduction, aids professors and students alike to see and understand the big picture of the field and its issues, search the evidence that supports the identification and interpretation of the characteristics of students living with EBD, and learn about the necessary interventions teachers and clinicians use daily to address the needs of these students. It launches readers into a self-questioning mode and prompts them to think carefully and critically about behavior and its contexts.
