Criminal Investigation: The Art and the Science (6th Edition) Michael D. Lyman

Criminal Investigation: The Art and the Science, Sixth Edition, presents crime detection as a dynamic field relying heavily on the past experiences of investigators as well as recent practical and technological innovations. It explores the many external variables that can influence the investigator's success and the specific methods of crime detection and prosecution of law available today. The text focuses on the steps and considerations observed in an actual criminal investigation. Each chapter begins with recent stories of real crimes that are investigated by the police and set the stage for the rest of the chapter
