Nightmare of the Apocalypse: The Rabbi Conspiracy, Ecerpts from the End of History Messiah Conspiracy Volume II Essays Philip Moore

Hebrew prophecies regarding Jesus' two Messianic Comings--The Apocalypse and Israel are briefly covered and compared with rabbinic anti-missionary arguments.

Germ warfare (for a 'peaceful depopulation'), petra and abortion are also discussed within a context to the End Times. A lecture by Rabbi Johnathan Cahn and a discourse on the stars by Dr. D. James Kennedy are included.

The first chapter in this unique work utilizes quotes from some of the most famous Bible scholars and experts (including Henry Halley, Hal Lindsey, Dr. M.R. DeHaan, Clarence Larkin, Chuck Missler, Dr. Norman Golb, Marshall Johnson, Louis Finkelstein, Ph.D., F.F. Bruce and Raymond E. Brown), to answer two of the most important questions regarding the Messiah Jesus' portal into humanity:

One: How was the human race protected in its purity from a sub-human half-breed demon race, which threatened to destroy the Davidic line and, consequently, the entire human race?

Two: How can Jesus be both the Son of God and the Davidic Jewish Messiah if His lineage is "contradictory," which is the accusation of many modern day rabbis?

In this work, the Attempted Sabotage of Jesus' Messianic Genealogy is Invalidated! The true reason for the Flood was to exterminate these hald-breed demon monsters, which threatened to overtake the human race! Using the Old and New Testaments, as well as ancient rabbinical commentaries and Hebrew word codes, we prove the maternal and paternal lines of Jesus compliment each other, and that He is the heir-apparent to the throne of David!
