Poison: A Novel Susan Fromberg Schaeffer

A tour de force about marriage, deceit, and envy, "rich in fairy tale imagery and in vivid metaphors" (*Publishers Weekly*).

The death of flamboyant writer and womanizer Peter Grosvenor sets in motion a series of spiraling events surrounding his legacy and his estate. His bitter third wife, his two children, his sister, his friends, and his would-be biographers are drawn into a maelstrom of intense memories and painful encounters as each of the major players in Peter's life seeks to appropriate Peter's estate for his or her own purposes. As a complex story of passion, jealousy, and loss unfolds, the figures that had once blossomed in Peter's presence spin off into their own orbits and turn against one another without the anchor of his charismatic presence. Ultimately, the tragedy and scandal that marred his life cannot be ended even by his death. Susan Fromberg Schaeffer writes with exquisite flavor and measure; character, history, and relationships build into a large, minutely detailed canvas and remind us why she is a master of the epic novel. Reading group guide included.

From reader reviews:

Shannon Grant:

Information is provisions for people to get better life, information nowadays can get by anyone with everywhere. The information can be a knowledge or any news even a concern. What people must be consider while those information which is from the former life are challenging be find than now is taking seriously which one is acceptable to believe or which one typically the resource are convinced. If you have the unstable resource then you get it as your main information there will be huge disadvantage for you. All of those possibilities will not happen throughout you if you take Poison: A Novel as the daily resource information.

Joseph Curtis:

Spent a free time and energy to be fun activity to try and do! A lot of people spent their down time with their family, or all their friends. Usually they carrying out activity like watching television, going to beach, or picnic inside park. They actually doing same every week. Do you feel it? Do you want to something different to fill your free time/ holiday? Might be reading a book is usually option to fill your cost-free time/ holiday. The first thing that you ask may be what kinds of reserve that you should read. If you want to try out look for book, may be the guide untitled Poison: A Novel can be very good book to read. May be it could be best activity to you.

Robert Thompson:

This Poison: A Novel is great publication for you because the content which can be full of information for you who always deal with world and have to make decision every minute. This particular book reveal it data accurately using great coordinate word or we can claim no rambling sentences in it. So if you are read that hurriedly you can have whole info in it. Doesn't mean it only offers you straight forward sentences but difficult core information with splendid delivering sentences. Having Poison: A Novel in your hand like getting the world in your arm, info in it is not ridiculous 1. We can say that no guide that offer you world throughout ten or fifteen moment right but this reserve already do that. So , this is certainly good reading book. Hi Mr. and Mrs. stressful do you still doubt in which?

Larry Moore:

In this period of time globalization it is important to someone to get information. The information will make professionals understand the condition of the world. The fitness of the world makes the information much easier to share. You can find a lot of referrals to get information example: internet, magazine, book, and soon. You will observe that now, a lot of publisher which print many kinds of book. The book that recommended to you is Poison: A Novel this publication consist a lot of the information from the condition of this world now. This book was represented just how can the world has grown up. The terminology styles that writer make usage of to explain it is easy to understand. Often the writer made some research when he makes this book. Honestly, that is why this book appropriate all of you.
