Today only, get this 1# Amazon bestseller for just \$2.99. Regularly priced at \$9.99. Read on your PC, Mac, smart phone, tablet or Kindle device

Marriage is an ancient institution that spreads across the ages. Different rituals, depending on the faith of the two people getting married, are performed. The term 'marriage' encompasses much more than the simple repetition of prayers, performance of rites, or ceremonies. It also describes a commitment of two people which is meant to endure through the duration of those individuals' lives. Sometimes, married couples reach a point in which the durability of the relationship is questioned. These individuals often seek out help—sometimes through counseling.

Other times, those couples seek out reading material that might advise them in ways to improve the marriage. One such example of a wonderful book was written by Dr. John Gottman. Dr. Gottman has forty years worth of experience as a psychologist and relationship expert having penned several books to aid and advise couples in relationships. The 7 Principles for Making Marriage Work is the culmination of Dr. Gottman's lifelong work. It is an overview of the concepts, behaviors and skills that guide couples on a rewarding path toward a harmonious and long-lasting relationship. This book is straightforward in its approach and quite profound.

The principles outlined in this book teach partners new strategies for making their marriage work. Dr. Gottman has scientifically analyzed the habits of married couples and established a method for correcting the behavior that puts thousands of marriages on the rocks. He helps couples focus on each other, on paying attention to the small day-to-day moments that once strung together, which make up the foundation of any relationship. Packed with questionnaires and exercises with an effectiveness that has been proven in Dr. Gottman's workshops, this is the definitive guide for anyone who wants their relationship to reach its highest potential.
