Grace Nichols

The Fat Black Woman's Poems (Virago Poets) Grace Nichols

Grace Nichols gives us images that stare us straight in the eye, images of joy, challenge, accusation. Her 'fat black woman' is brash; rejoices in herself; poses awkward questions to politicians, rulers, suitors, to a white world that still turns its back. Grace Nichols writes in a language that is wonderfully vivid yet economical of the pleasures and sadnesses of memory, of loving, of 'the power to be what I am, a woman, charting my own futures'.
