Entice (The Affair Series Book 1) S Layne, Stacey Lynn

When the most difficult decision of Laurie Baker's life needed to be made, she took off for a weekend alone to weigh her pros and cons and consider all her options.

What she didn't expect was to run face first into one more complication her life didn't need.

Distracting, sexy, and British, Liam Parker offered Laurie exactly what she needed when she was desperate for attention.

One night of pleasure.

She wanted it.

She craved it.

She took it.

And when the sunlight dawned and the lusty haze of one night of passion disappeared and reality revealed itself...

Laurie returned home knowing that everything she had once believed, everything she had once loved and desired, was about to be tossed upside down and shaken in a way she could never imagine.
