This book is designed for single women who are looking to meet the right man and get married. It is a step-by-step guide to romance management that will take them from sitting alone on their couch to walking down the aisle with the man of their dreams.

Finding "Mr. Right" doesn't have to be a matter of luck nor does it require a woman to have a glamorous face and beautiful figure. This book will show women how to meet more eligible men than they ever dreamed possible. They will learn how to raise their self-esteem and conquer their fear of rejection. It will teach them how to separate the "frogs" from the "princes" and qualify men. In addition, this book will show them how to get the commitment they want and reveal the secrets to achieving a successful marriage.
