Todd Bridges

Killing Willis: From Diff'rent Strokes to the Mean Streets to the Life I Always Wanted Todd Bridges
The former child star—best known as Willis Jackson on *Diff'rent Strokes*—shares the shocking but inspirational details of his struggles with addiction, brushes with the law, and fierce fight to carve a path through the darkness and find his true identity.

For Todd Bridges early stardom was no protection from painful childhood events that paved the road to his own personal hell. One of the first African-American child actors on shows like *Little House on the Prairie*, *The Waltons*, and *Roots*, Bridges burst to the national forefront on the hit sitcom *Diff'rent Strokes* as the subject of the popular catchphrase, "What'chu Talkin About Willis?" When the show ended, Bridges was overwhelmed by the off-camera traumas he had faced. Turning to drugs as an escape, he soon lost control.

Now, for the first time, Bridges opens up about his life before and after *Diff'rent Strokes*: the incredible reversals of fortune brought on by fame and the precipitous—and very public—descent that followed; the persecution from police; the drug addiction that nearly consumed him; the criminal charges that almost earned him a life sentence; and his successful legal defense led by Johnnie Cochran. Through it all, Bridges never relented in his quest to fight his way back from the abyss, establish his own identity—separate from Willis Jackson—and offer his ordeal as a positive example for those struggling to overcome similar challenges. His triumphant story of recovery and redemption is recounted here as well.

Todd Bridges has lived a life of remarkable twists and turns—from the greatest heights to the lowest lows imaginable. In this shocking but ultimately hopeful memoir, he proves that what he was really talking about was survival.

Do you want to try this extraordinary wasting spare time activity?

Ian Louviere:

As a college student exactly feel bored in order to reading. If their teacher questioned them to go to the library in order to make summary for some e-book, they are complained. Just little students that has reading's

spirit or real their hobby. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that looking at is not important, boring and also can't see colorful images on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Killing Willis: From Diff'rent Strokes to the Mean Streets to the Life I Always Wanted can make you sense more interested to read.
