Religious leaders generally spoon-feed their flock the few parts of the Bible that are not blatantly contradictory, nor evil, nor violent. The Bible is a very boring, very frightening, yet a very hilarious read. And the history of religious oppression is much more murderous than most people are aware. The book *No Meek Messiah* chronicles the cobbling of Christianity, its outrageous forgeries, and its immoral acts of torture, genocide, and obfuscation over the many centuries. The "virgin birth" tale was a forgery perpetrated 250 years before Jesus, even admitted by the *Catholic Encyclopedia*.

*No Meek Messiah* exposes that Jesus believed in Noah's Ark, Adam & Eve, Jonah living in a fish or whale, and Lot's wife turning into salt. (Historian Josephus, often cited by Christians as proof of the historicity of Jesus, also claims that he actually seen the "pillar of salt" that Lot's wife turned into; "for I have seen it, and it remains at this day," Josephus lied.

Jesus even bought into the absurd notion (Jn 3:14) that a magical pole proffered by the OT (Num 21:9) could cure snakebites merely by gazing upon it.

Only a very selective reading of the Bible can adduce the eternal assertion that Jesus was a perfect and saintly figure. Meek Jesus boasted he was "greater than Solomon, and that he "came not to send peace, but a sword," and "to send fire on the earth."

Jesus desperately needs your praise, and advises savage whipping for disobedient slaves. These are scriptures never mentioned at the typical sermon or Sunday school. This is merely the tip of Jesus' "meek" iceberg.

*No Meek Messiah* exposes the plethora of forgeries perpetrated by Christian leaders over the centuries, showing how the corrupt Church gained massive power and wealth. The many murders and witch hunts are also exposed in great detail.
