Process Consultation Revisited: Building the Helping Relationship (Prentice Hall Organizational Development Series) Edgar H. Schein

A new member of the renowned PH OD Series! The latest addition to the author's well-loved set of process consultation books, this new volume builds on the content of the two that precede it while expanding to explore the critical area of the helping relationship. Process Consultation Revisited focuses on the interaction between a consultant and client, and explains how to achieve a healthy helping relationship. Whether the advisor is an OD consultant, therapist, social worker, manager, parent, or friend, the dynamics between advisor and advisee can be difficult to understand and manage. Schein creates a general theory and methodology of helping that will enable a diverse group of readers to navigate the helping process successfully.
