**El Salvador Historia General (Spanish Edition)** Carlos Gregorio López, Fredy Leistenschneider, Jose Maria Mendez, Aldo Lauria Santiago, Eduardo Sancho, Raymundo Calderón Morán, Julio Alberto Dominguez Sosa, Jorge Arias Gomez, Oscar Martinez Peñate, Mario Flores Macal

Esta obra de historia está llamada a convertirse en una obra histórica. Pocos esfuerzos destinados a referir la verdad contenida en testimonios y documentos han penetrado con fundamento científico —demostrativo— en el análisis de los acontecimientos que han trascendido por siglos como verdades oficiales u oficiosas, que sólo dan cuenta de versiones unilaterales, cuya veracidad y objetividad son cuestionadas por la lógica y por el mismo contexto histórico del que cada hecho se rodea.

Oscar Martínez Peñate, el autor más prolífico de El Salvador, con el mayor número de obras publicadas y ejemplares vendidos en los últimos seis años, nos entrega en esta ocasión el trabajo de prestigiosos investigadores y también el suyo en este libro de valor indudable, el cual entre otros méritos, desmitifica personajes, situaciones, opiniones y demás elementos que se conjugan en la historia, para develar las falsedades que los “dueños” del país se han encargado de difundir, hasta convertirlas en verdades o versiones que muy pocos discuten.

En las páginas que siguen descubriremos lo verdadero y lo falso que se ha dicho sobre personajes como el prócer José Matías Delgado, los generales Manuel José Arce, Francisco Morazán y Maximiliano Hernández Martínez, entre otros; dirigentes como Anastasio Aquino y Agustín Farabundo Martí, personalidades que influyeron en el pensamiento y la acción, como el periodista y educador Alberto Masferrer.

Se analiza asimismo la época colonial y la independentista, el origen del Estado, y del gobierno de El Salvador, la economía del país cuando su base fue el añil, más tarde con la introducción del cultivo del café —que despojó de las tierras ejidales y comunales a los más pobres— y otros experimentos productivos hasta el presente.

Los conflictos internos y regionales, la dolarización, las expectativas del nuevo siglo a partir de la realidad objetiva actual.

Como obra de consulta o de texto le aseguramos una gran acogida, igual que todas las anteriores de este autor.
