Woodstock: Three Days that Rocked the World

Woodstock: Three Days that Rocked the World

It defined a generation, exemplified an era: Woodstock was unlike anything that has ever happened before or since. Relive the moment and “get back to the garden” with this day-by-day, act-by-act account of everything that went down on Yasgur's farm. With interviews and quotes from those who were there and a wealth of photographs and graphic memorabilia, *Woodstock* is the ultimate celebration of a landmark in modern cultural history.

Woodstock is organized in three parts:

- o “Origins” sets the stage by describing '60s counterculture, along with the festival's organization.
- o “The Event” includes a rundown of each of the 32 acts, in the order they appeared, one spread to each performance. Fans and politics are also featured prominently here.
- o “The Aftermath” focuses on media coverage, follow-up festivals, Michael Wadleigh and Thelma Schoonmaker's documentary, and Woodstock's enduring legacy.
