**Cambridge IGCSE® Chemistry Workbook (Cambridge International Examinations)** Richard Harwood, Ian Lodge

This edition of our successful series to support the Cambridge IGCSE Chemistry syllabus (0620) is fully updated for the revised syllabus from first examination from 2016. Written by a team with teaching and examining experience, Cambridge IGCSE Chemistry Workbook helps students build the skills required in both their theory and practical examinations. The exercises in this write-in workbook help to consolidate understanding and get used to using knowledge in new situations. They also help to develop information handling and problem solving skills, and to develop experimental skills including planning investigations and interpreting results. This accessible workbook encourages students to engage with the material. The answers to the exercises can be found on the Teacher's Resource CD-ROM.
