Fathers in Faith: Reflections on Parenthood and a Christian Life

Drawing on their experiences as fathers, eleven men share what they have learned about parenting, living a Christian life, and the relationship between the two. As fathers to children ranging in age from the very young to adults, contributors reflect on some of their joys and successes as fathers but also on their questions, concerns, mistakes, sorrows, and hopes-for themselves and for their children. They invite all parents to reflect on and learn from their own parenting experiences. This kind of reflection fosters wisdom, perspective, and, in solidarity with other parents, gratitude, confidence, and hope in the parenting life.
