1,000-Year Flood: Destruction, Loss, Rescue, And Redemption Along The Mississippi River Stephen J. Lyons

Almost every year, areas of the Midwest are subjected to massive flooding. Sandbags are filled and stacked, FEMA arrives, and there is a discussion of whether this is a 500-year flood, a 1,000-year flood, or just another typical summer season. This new book looks at a town devastated and rebuilt--that will likely be rebuilt again when the next years' waters rise and puts it in context with the history of the region and the people who have lived there for generations.
