Booknotes: Life Stories: Notable Biographers on the People Who Shaped America Brian Lamb

Conversations with the most admired biographers of our time on the people who have forged our contemporary landscape

C-SPAN founder Brian Lamb invites readers into a virtual conversation -- via the art of biography -- with the legends and luminaries who have helped define America. This informal dictionary of biography peers into the personalities who have left a mark on our world -- a Who's Who of American history, and the next best thing to chatting directly with the likes of Abraham Lincoln, Walt Whitman, Susan B. Anthony, Eleanor Roosevelt, J. Edgar Hoover, Elijah Muhammad, Amelia Earhart, Katharine Graham, John F. Kennedy, Martin Luther King, Jr., Frank McCourt, Bill Clinton, and many others.

Based on C-SPAN's popular weekly Booknotes program, this absorbing collection of life stories presents illuminating profiles and often surprising details from our favorite biographers. Booknotes follows the evolution of American history chronologically, and covers the lives of writers and thinkers, inventors and scientists, politicians and soldiers. Lamb reacquaints us with the great figures of our times, in an engaging conversation about America.
