From a bestselling Kindle author comes the start of a brand new series...

When a mysterious white-haired man tries to kidnap Sara Ignatius' son and then vanishes before her eyes, Sara knows there's only one person who can help her: Soren Chase, one of the country's best supernatural investigators.

For Soren, the case is personal. Sara's fiancé was John Townes, Soren's best friend who died in a supernatural attack several years earlier. Soren will do anything to save Sara's son, but he must act fast. Because the kidnapper has a mission of his own, and he's willing to destroy anyone who gets in his way...

A prequel to the forthcoming full-length novel *The Forest of Forever* currently in the Kindle Scout program, *Closed at Dark* is a self-contained novella that can be enjoyed by anyone who loves urban fantasy, mystery and suspense.
