Greetings from Somewhere Else Monica McInerney

Lainey Byrne is a master at controlled chaos, juggling her hectic, demanding job, her chef boyfriend with his crazy hours, and her roiling family with all its daily dramas. But her life truly threatens to spin out of control when her aunt May, who owns a B&B in Ireland, passes away. In order for the Byrnes to collect their inheritance, someone from the family must take over Aunt May's business for a year. And apparently that someone is Lainey.

Between running a run-down, virtually guest-free B&B (without the slightest ability to cook or clean), worrying about her family from afar, adjusting to country life, and dealing with the complications of long-distance love, Lainey is in way over her head. But when a reunion with a (gorgeous) childhood friend sparks unexpected complications, Lainey realizes that fate may have another path for her—a direction she never imagined.
